ONCOLOGY

ONCOLOGY DAY 2020

***Connecting the
Dots in Cancer Care***

**Central
Regional Cancer Program**
in partnership with Cancer Care Ontario

OBJECTIVES

- 1 To describe and integrate into practice the recent changes to screening guidelines for multiple cancer sites
- 2 To identify and integrate into practice recent management strategies for common oncology treatment side effects
- 3 To identify and integrate into practice an approach to an abnormal CBC as it pertains oncologic diagnoses
- 4 To be able to describe and explain recent oncology treatment and diagnostic updates to patients
- 5 To be able to efficiently interact with the local oncology community to foster better transitional patient care

THE GOAL OF THE PROGRAM IS TO IMPART EXCELLENCE IN CANCER CARE BY MODELLING CURRENT AND INNOVATIVE ONCOLOGY ADVANCES, USING DIDACTIC AND INTERACTIVE LEARNING EXPERIENCES AT AN INTERDISCIPLINARY EVENT.

Accreditation

College of Family Physicians of Canada, Mainpro+: (ID#191756-001) | This one-credit-per-hour Group Learning program meets the certification criteria of the College of Family Physicians of Canada and has been certified by Continuing Professional Development, Faculty of Medicine, University of Toronto for up to 5 Mainpro+ credits.
