

## Life. Career. Balance.

EXPERIENCE IT. ONLY AT SOUTHLAKE.

At Southlake, we've created something special ... A big city hospital that hasn't lost its community heart. A place where teamwork is the norm and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. A collegial workplace focused on achieving work-life balance. If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us.

Southlake has some of the highest staff and physician satisfaction scores in the province. The latest data by NRC Picker confirms that we are providing the premium practice environment that you deserve.

Newmarket is located in York Region, part of the Central LHIN, on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. Residents of York Region enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

## GENERAL CARDIOLOGIST/CARDIAC INTENSIVIST

This is an opportunity to join Southlake's Cardiology Team. This position is for a subspecialty trained Cardiologist in Cardiac Intensive Care. This individual will keep our CICU in the forefront as a top Cardiac Regional Centre in Ontario. You must be certified by the FRCPC in Cardiology and have completed a fellowship in intensive care as well.

Southlake is a Ministry of Health and Long-Term Care designated and funded Regional Cardiac Program, serving 1.5 million people and 10 hospitals in York Region and North Simcoe Muskoka. Our services are comprehensive, including primary PCI, CTO/CHIP, Impella, TAVI, MitraClip, coronary physiology, world firsts in electrophysiology techniques, minimally invasive cardiac surgery and sutureless valves. The cardiac medical staff now includes 5 cardiac surgeons and 24 cardiologists, with groups sub-specializing in critical care, interventional, structural heart, electrophysiology, cardiac imaging, invasive and non-invasive cardiology. This is a high-volume centre where over 1,100 cardiac surgeries, 5,533 cardiac catheterizations, 2,321 angioplasties, 100 TAVI's, 401 new ICD implants and 725 EP ablations were completed last fiscal year. We are the 4th largest Regional Cardiac Program in Ontario.

Southlake is a premier practice destination with outstanding facilities and outcomes. We are a leading Canadian Cardiovascular Centre of Excellence in clinical research trials and highly sought out for advanced training of clinicians and fellows. Join our team of exceptional individuals who strive always to push the envelope of opportunity and success.

Candidates must hold, or be eligible to hold, an Independent Practice licence with the College of Physicians and Surgeons of Ontario and be Royal College certified.
