

## Life. Career. Balance.

EXPERIENCE IT. ONLY AT SOUTHLAKE.

At Southlake, we've created something special ... A big city hospital that hasn't lost its community heart. A place where teamwork is the norm and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. A collegial workplace focused on achieving work-life balance.

If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us.

Southlake has some of the highest staff and physician satisfaction scores in the province. The latest data by NRC Picker confirms that we are providing the premium practice environment that you deserve.

Newmarket is located in York Region, part of the Central LHIN, on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. Residents of York Region enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

## NEUROLOGIST

We are seeking an additional Neurologist to meet the demands of our unprecedented regional growth, population demographics and Southlake's expanding comprehensive regional cardiac, cancer and surgical programs. Inpatient consultations will be shared equally amongst members, which, at minimum, is 10 to 15 new patients per week, and outpatient office referrals for consultation are endless. With the high demand, the successful candidate will have a fully established practice within weeks.

Anticipated time commitment for hospital vs. office practice will depend largely on the interests of the successful candidate. There is opportunity to provide consulting services to patients with movement disorders, epilepsy, neuromuscular diseases and stroke. Remuneration is fee-for-service, with unlimited outpatient referrals. Southlake has full medical diagnostics, including two 64-slice CT scanners (7/24 for head scans), 2 MRIs, Peripheral and Cardiac Angiography, Ultrasound, Nuclear Medicine, and Doppler, as well as full inpatient laboratory services with access to EEG. Southlake is a premier practice destination with outstanding facilities and outcomes, and an unrelenting focus on quality.

Southlake is a Centre of Excellence with a full complement of subspecialty medical staff. Join our team of exceptional individuals who are providing leading-edge care for their patients and families. Candidates must hold, or be eligible to hold, an Independent licence with the College of Physicians and Surgeons of Ontario and be Royal College-certified in Neurology.

**To join our team, please forward a letter of interest and your curriculum vitae to:**

Michele Skerratt  
Manager, Medical Affairs  
Southlake Regional Health Centre  
596 Davis Drive  
Newmarket, ON L3Y 2P9  
[miskerratt@southlakeregional.org](mailto:miskerratt@southlakeregional.org)

We thank everyone for their interest; however, only those selected for an interview will be contacted.
