

Life. Career. Balance.

EXPERIENCE IT. ONLY AT SOUTHLAKE.

At Southlake, we've created something special ... A big city hospital that hasn't lost its community heart. Teamwork is the norm and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. Enjoy a collegial environment that is focused on achieving work-life balance. If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us!

Southlake is committed to fostering an inclusive and equal opportunity environment for all applicants. We are dedicated to building a Professional Staff that reflects the diversity of the community in which we live and serve.

Newmarket is located in York Region on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. You will enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

GERIATRICIAN

We are seeking a third Geriatrician to support the expansion of our Geriatric Program to meet the continued growth of the communities we serve. As a fellowship-trained Geriatric specialist, you will have the opportunity to provide a variety of services, including consultations in a Nurse Practitioner-supported Urgent Geriatric Clinic, a new initiative to decrease ER admissions and length of inpatient hospital stay, inpatient consultations, outpatient Geriatric Clinic consultations, home visits with the Geriatric Outreach team, consultations via OTN, and work in the surrounding nursing and retirement homes under a fee-for-service compensation model.

Southlake is a Centre of Excellence and a premier practice destination with outstanding facilities and clinical outcomes. You will join a Department of Medicine with over 90 Active Staff members, with access to a full complement of subspecialty staff supporting a number of regional, tertiary-care programs, including regional cardiac, cancer and thoracics programs, in an efficient, effective, safe and high-quality care environment.

Medical Staff are provided with the opportunity to achieve exceptional career-life balance, with the opportunity and flexibility to tailor their practice to include additional interests in teaching, quality improvement and leadership roles. The successful candidate will be Royal College-certified and possess, or be able to obtain, a licence to practise medicine in Ontario.

To join our dedicated team, please forward a letter of interest, along with your curriculum vitae, to:

**Gio Prada, Credentialing Associate
Medical Staff Administration
Southlake Regional Health Centre
596 Davis Drive
Newmarket, ON L3Y 2P9
gprada@southlakeregional.org**

We thank everyone for their interest; however, only those selected for an interview will be contacted.
