SUPPORTING SOUTHLAKE **TOGETHER**

Two dates. Two courses. Twice the benefits. Join fellow business and community leaders for DOUBLE THE GOLF at our special TWO-DAY *Southlake Golf Tournament*, presented by AirBoss. During this challenging time, we could all use something to look forward to. Plus, you'll be helping ensure that every patient who depends on Southlake Regional Health Centre can access the leading edge care close to home they expect and deserve, at a time when your support has never been more important.

In its 28-year history, the *Southlake Golf Tournament* presented by AirBoss has raised over $5 million in support of urgent needs at Southlake. From hospital beds to operating room lights, our community has ensured that Southlake physicians and clinicians have the tools they need to deliver the best possible care, close to home.

In 2019, golfers and supporters raised $291,000 allowing the hospital to replace and upgrade essential equipment, including a specialized sterilizer essential to surgeries, an ECT machine to support those with treatment resistant mental illness, an EEG machine so that clinicians can monitor brain activity, and a Glidescope used for complex airway management during surgery.

And, as we continue the fight against COVID-19, the need has never been greater. Our hospital is facing unprecedented demand, and we are depending on the support of our communities more than ever to support the vital tools, equipment and technology that our front-line staff depend on to care for every patient who turns to us in their time of need.

Every year, more than 530,000 people rely on Southlake Regional Health Centre for care. Community support provides funding for the most urgently-needed tools, equipment, technology and space across the hospital, giving our staff what they need to perform innovative procedures, and ultimately save lives. From replacing aging equipment to putting the newest, state-of-the-art tools in the hands of our staff, your support means that patients in our growing communities – your family, friends, neighbours and staff – can continue to rely on Southlake for leading edge care close to home. Thank you.
