SOUTHLAKE REGIONAL HEALTH CENTRE
BOARD SEEKS DIRECTORS

Southlake is building healthy communities through outstanding care, innovative partnerships, and amazing people. We deliver a wide range of healthcare services to the communities of northern York Region and southern Simcoe County. Our advanced regional programs include Cancer Care and Cardiac Care and serve a broader population across the northern GTA and into Simcoe-Muskoka.

Our team of nearly 6,000 staff, physicians, volunteers, students and Patient and Family Advisors are committed to creating an enviroment where the best experiences happen. As a recognition of our commitment to quality and patient safety, we have received the highest distinction of Exemplary Standing from Accreditation Canada.

With an annual operating budget of over $500 million, we care for a rapidly growing and aging population and have developed an exciting plan for new facilities to serve our communities into the future. A member of the Southlake Community Ontario Health Team, we are working with our partners to deliver connected care to northern York Region and southern Simcoe County.

The Southlake Board of Directors currently seeks to elect new Directors. To complement our skills-based Board, we invite applications from qualified individuals with governance expertise and knowledge, and/or experience or skills in human resources, information systems, government affairs or finance and accounting.

Board members must possess a strong commitment to ethical standards, in addition to an appropriate level of education and skill. Preference will be given to candidates who demonstrate knowledge of the healthcare sector and understand what it will take to meet the future needs of the rapidly-growing communities we serve. Previous experience serving on a public Board of Directors would be an asset.

Board members receive no monetary compensation and are expected to devote approximately 12 hours per month to hospital matters. In addition to serving as a member of the Board, members must serve on a minimum of two Board sub-committees: Audit, Governance and People, Quality, Finance & Property.
