GENERAL INTERNIST

We are seeking a licensed General Internist to support the ongoing expansion of our services. Beyond providing efficient, effective, safe and high-quality care to our medical patients, the focus of the Department of Medicine is to provide its members with the opportunity to achieve exceptional career-life balance.

To achieve our vision of career-life balance for our medical professionals, we are seeking a full-time General Internist for our Hospitalist Program. Hospitalists provide a variety of services for our medical inpatients and those services can often accommodate individual clinical interests. Hospitalists can expect a competitive fee-for-service compensation package.

Opportunities for career advancement and leadership roles will expand with the energy and enthusiasm Southlake is known for.

Candidates must be licensed to practise medicine in Ontario.
