

# Life. Career. Balance.

EXPERIENCE IT. ONLY AT SOUTHLAKE.

At Southlake, we've created something special ... A big city hospital that hasn't lost its community heart. Teamwork is the norm and new leaders are continually discovered. An environment where you can put your skills to work today, while advancing towards your goals for tomorrow. Enjoy a collegial environment that is focused on achieving work-life balance. If you are committed to excellence, passionate about making a difference, and looking for a place where your career can flourish, come join us!

Southlake is committed to fostering an inclusive and equal opportunity environment for all applicants. We are dedicated to building a Professional Staff that reflects the diversity of the community in which we live and serve.

Newmarket is located in York Region on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. You will enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

## ADULT PSYCHIATRIST - We Are Growing!

Southlake is currently creating a new 12 bed adult mental health inpatient unit to accommodate additional patient volumes. Currently Southlake has 9 PICU beds and 20 semi-private inpatient psychiatric funded beds. The new unit, once complete in winter '22/'23, will create 12 private rooms with support spaces for socializing, group therapy and dining. Additional interview space and a large nursing station will provide additional areas for staff and patients. Bring your subspecialty interest and/or training to a dynamic team of 14 full and part-time Adult Psychiatrists. Southlake has an Adult Inpatient Unit, Active Day Program, Brief Therapy

Clinic, Schizophrenia Clinic, Maternal Outpatient Clinic, Young Adult Eating Disorder Clinic, Urgent Care Clinic, General Adult Outpatient Clinic, Addiction Medicine and a 24-hour first call Adult Crisis Team. We have a busy Consult-Liaison service, two ACTT and PACT teams, Rapid Assessment for Psychopharmacologic Treatment (RAPT) Clinic. Teaching medical students and Family Medicine Residents is a vital part of our activities. The successful candidates will participate in teaching, provide call service (3-4 calls/month) and will have an opportunity to take on a leadership role, manage beds and become involved in clinical trials and program expansion.

## CHILD & ADOLESCENT PSYCHIATRIST

Join a multidisciplinary team that currently includes 3 Child & Adolescent Psychiatrists. As York Region's designated Centre for Child & Adolescent Psychiatry and Eating Disorders, we have 7 inpatient Child & Adolescent Mental Health Beds, Outpatient Child and Family Clinic, Eating Disorder Program, Child & Adolescent Crisis Program and a Child & Adolescent Day Treatment Program. Subspecialty liaison with medical and surgical programs in the hospital and linkages via telepsychiatry to underserved hospitals in the Region are areas in need of development. A busy lucrative practice will be established rapidly given the Regional needs for psychiatric consultation and follow-up. Our Professional Staff welcome new graduates and provide mentoring.

Interested candidates are to provide their curriculum vitae and cover letter to:

Deb Green, Medical Staff Associate

Southlake Regional Health Centre

[dgreen@southlakeregional.org](mailto:dgreen@southlakeregional.org)

We thank everyone for their interest; however, only those selected for an interview will be contacted.
