

Life. Career. Balance.

EXPERIENCE IT. ONLY AT SOUTHLAKE.

Southlake is building healthy communities through outstanding care, innovative partnerships, and amazing people. We deliver a wide range of healthcare services to the communities of northern York Region and southern Simcoe County. Our advanced regional programs include Cancer Care and Cardiac Care and serve a broader population across the northern GTA and into Simcoe-Muskoka.

Southlake is committed to fostering an inclusive and equal opportunity environment for all applicants. We are dedicated to building a Professional Staff that reflects the diversity of the community in which we live and serve.

Newmarket is located in York Region on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. You will enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

Cardiologist

Southlake Regional Health Centre is seeking to hire several qualified Cardiologists to join our team of exceptional individuals.

Southlake is a Ministry of Health and Long-Term Care designated and funded Regional Cardiac Program, serving 1.5 million people and 10 hospitals in the fast-growing York and North Simcoe Muskoka regions. Southlake's full-time Cardiac Medical Staff includes 5 Cardiac Surgeons and 20 Cardiologists, with groups sub-specializing in Interventional, CTO/CHIP, Transcatheter valve procedures, Electrophysiology, Cardiac Imaging, Invasive and Non-Invasive Cardiology. Southlake is a high-volume center performing 800 pacemakers, and 400 implantable defibrillators per year in three state of the art electrophysiology labs.

Southlake's Regional Cardiac Care Program provides excellence in Cardiac Surgery, Electrophysiology and Structural Heart. We are a leading Canadian Cardiovascular Centre of Excellence in clinical research trials and highly sought out for advanced training of clinicians and fellows.

Candidates must possess or be eligible for a Cardiology Certificate by the Royal College of Physicians and Surgeons of Canada and possess or be eligible for an independent license with the CPSO.

Added Fellowship training in Cardiac Intensive Care, Cardiac MRI/CT, Cardiac Rehabilitation, Cardiac Oncology, Heart Failure and Level 3 Echocardiography would be an asset.

Candidates will possess excellent interpersonal and communication skills and will be part of a progressive multidisciplinary team based approach to cardiac patient care.

To join our team, please forward letter of interest to, along with your curriculum vitae to:

Deb Green

Southlake Regional Health Centre

596 Davis Drive, Newmarket, ON, L3Y 2P9

dgreen@southlakeregional.org

We thank everyone for their interest; however only those selected for an interview will be contacted.
