

Life. Career. Balance.

EXPERIENCE IT. ONLY AT SOUTHLAKE.

Southlake is building healthy communities through outstanding care, innovative partnerships, and amazing people. We deliver a wide range of healthcare services to the communities of northern York Region and southern Simcoe County. Our advanced regional programs include Cancer Care and Cardiac Care and serve a broader population across the northern GTA and into Simcoe-Muskoka.

Southlake is committed to fostering an inclusive and equal opportunity environment for all applicants. We are dedicated to building a Professional Staff that reflects the diversity of the community in which we live and serve.

Newmarket is located in York Region on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. You will enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

Cardiac Rehabilitation and General Cardiology

The Division of Cardiology is seeking a Cardiac Prevention and Rehabilitation (CPR) trained cardiologist to join its ranks. The CPR Program is located in a state-of-the-art fitness facility, the Magna Centre. It enrolls nearly 750 patients annually. Patients are assessed with cardiopulmonary testing and are provided with either in-house or home-based programs. The successful candidate is expected to be a team-player with leadership skills. They will participate in the in-patient CICU and ward call schedule.

The successful candidate(s) would be joining a dynamic and well-established cardiac program.

Southlake is a Ministry of Health and Long-Term Care designated and funded Regional Cardiac Program, serving 1.5 million people and 10 hospitals in the fast-growing York and North Simcoe Muskoka regions.

Southlake's full-time Cardiac Medical Staff includes 5 Cardiac Surgeons and 20 Cardiologists. Our services are comprehensive including the following: Primary PCI, CTO/CHIP, TAVI, Mitraclip, Cardiac Rehabilitation, Echocardiography and Cardiac Imaging, Advance Heart Failure, Critical Care Cardiology and world firsts in electrophysiology techniques & minimally invasive cardiac surgery. Southlake is a high-volume centre performing over 1100 cardiac surgeries, 5500 cardiac catheterizations, 2300 angioplasties, 300 TAVI's, 800 pacemakers and 400 implantable defibrillators per year in fully equipped electrophysiology labs. We are the 4th largest Regional Cardiac Program in Ontario.

Southlake is a premier practice destination with outstanding facilities and clinical outcomes. We are a leading Canadian Cardiovascular Centre of Excellence in clinical research trials and highly sought out for advanced training of clinicians and fellows.

Join our team of exceptional individuals who strive always to push the envelope of opportunity and success.

The successful candidates must hold or be eligible to hold an independent license with the College of Physicians & Surgeons of Ontario and be Royal College certified in cardiology.

To join our team, please forward letter of interest to, along with your curriculum vitae to:
Deb Green, Medical Affairs Associate
Southlake Regional Health Centre
596 Davis Drive
Newmarket, ON, L3Y 2P9
dgreen@southlakeregional.org

We thank everyone for their interest; however only those selected for an interview will be contacted.
