

## Life. Career. Balance.

### EXPERIENCE IT. ONLY AT SOUTHLAKE.

Southlake is building healthy communities through outstanding care, innovative partnerships, and amazing people. We deliver a wide range of healthcare services to the communities of northern York Region and southern Simcoe County. Our advanced regional programs include Cancer Care and Cardiac Care and serve a broader population across the northern GTA and into Simcoe-Muskoka.

Southlake is committed to fostering an inclusive and equal opportunity environment for all applicants. We are dedicated to building a Professional Staff that reflects the diversity of the community in which we live and serve.

Newmarket is located in York Region on the northern edge of the Greater Toronto Area, allowing easy access to city activities as well as a short distance to cottage country and ski resorts. You will enjoy access to an array of real estate options and public and private schools, making the area a choice location for many young families.

## MOLECULAR GENETIC PATHOLOGIST

The Department of Laboratory Medicine at Southlake Regional Health Centre invites applications for a Pathologist position with Molecular Pathology expertise to support our developing in-house molecular lab with emphasis on NGS testing.

Successful candidates are required to hold Royal College of Physicians and Surgeons of Canada certification in Anatomical or General Pathology, or equivalent. Fellowship or equivalent training in Molecular Pathology is required.

Southlake Regional Health Centre is a growing community hospital in the Greater Toronto Area. We have thriving Cancer Centre and Cardiothoracic Surgery Programs. Our in-house immunohistochemistry service and flow cytometry lab provide high-quality support for our Regional Cancer Program.

All interested physicians are invited to apply for the position. To join our dedicated team, please forward a letter of interest, along with your curriculum vitae to:
