Whether it's your first-time golfing or you have played for years, this is an excellent opportunity to support the Maternal Child Program at Southlake Regional Health Centre and have a great time golfing!

Your donation will provide a variety of sundry equipment and furniture used in the Birthing and Postpartum Rooms for the day-to-day care of mothers and their babies during their stay at Southlake.

Sign up as an individual or form your own team of friends, family or coworkers. The Tournament fills up quickly, so ensure your spot this year by signing up early.

*Please note that outside alcohol is strictly prohibited and that the golf course does not have any power carts, only pull carts.*

If you are unable to participate this year, any donation would be greatly appreciated. Thank you so much for your continued support.

Sincerely,

Gavin James
